Rob Parker is a certified Focusing Trainer and Coordinator who studied philosophy with Gene Gendlin on a weekly or bi-weekly basis from 2003 until Gene's death in 2017. In addition to publishing and lecturing on Gene's philosophy, Rob has been teaching webinars on *A Process Model* and *Experiencing and the Creation of Meaning* since 2009. In his other life as a psychologist specialized in psychological trauma, Rob has designed and directed several treatment programs, published and lectured for professional audiences, and appeared in national media such as the New York Times and MSNBC. Rob is constantly amazed by the power of Gene's philosophy and how it continually expands and deepens our awareness of ourselves and of the world.
