

International Leadership Council

Notes of meeting
November 27, 2018

Present: Evelyn Fendler-Lee, Sergio Lara, Claude Missiaen, Ruth Hirsch. Claude was Prime Mover.

I. The ILC reviewed its response to the letter sent to Catherine from a group of Ibero-American Coordinators

II. We agreed to follow-up with a potential ILC member.

III. HISTORY

Catherine will extend an invitation to "alumni" of the ILC to join her and the two senior ILC members in a meeting / Zoom reunion, or if it's not possible for them to attend, to submit their comments to the draft ILC history document in writing.

Meanwhile, Catherine will again send the ILC the latest draft of the ILC history, and Ruth will send everyone the final version of a document that she and Jane Quayle had developed which eventually evolved into the formal "Roles and Functions" document that the ILC submitted to the Board in the summer of 2016.
